

COB Series

Rugged, Ultra High Definition LED Displays

neoti 

COB Series

Advantages of COB

- Superior Impact, Dust, & Moisture Protection
- Lower Failure Rate than SMD
- Easy to Clean & Maintain
- Perfect for Interactive Touch Applications

Durability in Demanding Spaces

Neoti's COB series protects the display from impact, dust, and moisture - allowing ultra-high-definition displays in environments where previously inhibited.

All-In-One Accessories

Package the COB with accessories like our interactive touch frame, rolling floor stand, wall mount, and more!

Quick and Easy Assembly

A simple, modular design allows for a quick and easy setup, and cableless interconnects keep things tidy.

Interactive Touch Available

Add multi-touch interactivity to your display for a bright, immersive display like none other!

Rental Frames Available

Need rugged UHD rental panels? With the available rental frames, the COB line delivers!
